It is advisable for coverage of £1m. Specific policy cover for medical evacuation by air must be for a minimum of £500 000.

You must provide the Insurers name, the policy number, date of issue and expiry.

Proof of Insurance should be produced at your point of entry in Ascension to the Immigration Officials; this should be in a policy document that has the relevant coverage details, name(s) of persons insured, policy number and period of coverage. We reserve the right to request sight of your insurance document prior to granting an entry permit.

Please note: Credit cards or insurance brochures will not be accepted as proof of insurance.

**Personal liability**

You remain personally liable for the costs of all treatment (including medevac) that you receive on Ascension. The Ascension Island Government will not accept liability for any medical costs you incur. You will be billed for any medical treatment undertaken and you do not have recourse to public funds.

**Pre-existing Conditions**

Many Insurance companies specifically exclude cover for pre-existing medical conditions. Where such a condition gives rise for emergency medevac treatment the costs could exceed £150 000 for the air transfer alone. We recognise that many visitors to Ascension cannot personally afford the costs associated with medevac treatment. We therefore require all visitors who have pre-existing medical conditions to have insurance that covers these conditions.

You must declare whether you have any pre-existing medical conditions on the application form. You must also submit your insurance certificate and a letter from your insurance company confirming that they are aware of the pre-existing medical condition and that they are providing the necessary level of cover for this (Minimum £500 000).

**What is a pre-existing medical condition?**

A Pre-existing condition is any health issues you've had medical assistance for, including consultations and medication, within the five years prior to your date of travel.

That includes chronic conditions or long-term treatment for an issue that might have been first diagnosed more than five years ago.

A condition is pre-existing if you have experienced symptoms in the past five years, even if the actual condition was diagnosed before that period.

**Failure to disclose a pre-existing condition**

FAILURE TO DISCLOSE A PRE-EXISTING MEDICAL CONDITION THAT IS NOT COVERED BY YOUR MEDICAL INSURANCE IS AN OFFENCE AND WILL LEAD TO PROSECUTION AND YOUR SUBSEQUENT REMOVAL FROM ASCENSION AT YOUR COST.

**Exempt Tourist**

Dependants of Armed Forces and MOD Staff based in the Falkland Islands on R&R stays in Ascension are exempt from providing Medical Insurance.
